and finally ...

- It's far more impressive when others discover your good qualities without your help.
- A closed mouth gathers no foot
- Change is inevitable - except from a vending machine!
- I wanted to join the local ramblers club, but when I phoned, the chap who answered went on, and on, and on ...
- I went out for a meal last night - a pelican curry. The food was good but the bill was huge!

PLEASE HELP! Update

WE WOULD BE GRATEFUL FOR DONATIONS OF CHRISTMAS DECORATIONS, TREES ETC, UNWANTED GIFTS, BOOKS - PAPERBACKS, FICTION OR ANY! ALSO GOOD QUALITY CLOTHING, & BRIC A BRAC.

"HARBOUR" *Update*

Now that the colder weather is here, it is important that we continue to bring items to put in the green Harbour box at the back. Tinned food that can be easily opened and warmed up to provide nourishing meals for those who come to the Harbour premises in Queen Street Bideford. Basic clothing items or toiletries. Gifts of money which I can pass on to Harbour. This need becomes more important in winter. Paul & Mary Smith Thank you. Paul and Mary Smith.

*** PARISH MAG *** *Update*

We have lost a number of regulars who have subscribed to our Parish Mag for decades and sales are getting to the point where we have to consider its future viability. We have never looked to make a profit but we do aim to break even. The latter is now under threat and we also have to consider the vast amount of effort that goes into producing the magazine and then having it printed, collated, collected and distributed, plus collecting the subscriptions. Consequently we need to increase sales sooner rather than later if it is to survive. We have to honour the commitment we have to our advertisers who pay for a year at a time. In the coming months we would ask people who do not subscribe to think about joining up, particularly our Sunday congregation, and where possible those who have it delivered, to see whether or not friends and neighbours may also want to subscribe. Thank you, Sue May
